PnP & Webtickets celebrate first anniversary

WINDHOEK, 05 OCTOBER 2017

Pick n Pay (PnP) Namibia – a subsidiary of the Ohlthaver & List (O&L) Group is proud to celebrate the first anniversary of its partnership with *Webtickets Namibia*. Officially brought to life on 7 September 2016, *Webtickets Namibia* is one of the few organizations in Namibia that offers full ticket and event registration services. PnP also congratulates *Webtickets Namibia* on jumping the first hurdle to success.

Delia Magg-Thesenvitz, a manager at Webtickets says the journey has thus far been an exciting rollercoaster with every event being different. Magg-Thesenvitz: "Webtickets is fit for any occasion, from big to small events, music to sport, workshops to conferences, and the list goes on. With a flexible and cost-effective ticketing and event registration solution that includes a bargain of full online distribution, advertising through their marketing partner WhatsOn Namibia, as well as physical outlets, and onsite services, Webtickets can enrich any event, and cater for specific needs of our clients."

Webtickets Namibia manager, Drienie Ellis added that the part clients find most attractive is the live tracking of sales, attendance reports and SMS tickets, because it enables ongoing evaluation of the event sales that indicates improvement areas and solutions prior to the big day. Ellis: "Throughout the year there has been many highlights. What pleases us most is to see the consistent drive that Pick n Pay shows in supporting local businesses. This gives us self-belief that with great team work, we can achieve great successes in more years to come. When looking at the entertainment environment within Namibia, there is countless growth potential. Webtickets in partnership with PnP has sold almost 63,000 tickets to date."

PnP Brand Manager, Dandago Uiras: "PnP greatly benefits from the partnership with Webtickets – a platform that offers customers added value at their convenience. We are very happy with, and excited about this partnership and look forward to many more exciting and growing years together."

In conclusion, Uiras congratulated Webtickets on its first year of success. She re-affirmed PnP's commitment to assist the Webtickets team on their journey to creating their ideal future. Uiras: "In supporting local, PnP passionately contributes to the O&L purpose of 'Creating a future, enhancing life.'
